### **SUGAR DADDY**

© Audrey Auld 1998 (APRA)/Bill Chambers (Gibbon Music)

I wanna be your sugar daddy  
And give you diamond rings  
Take you to the city  
And buy you fancy things  
You'll be looking pretty  
And I'll be mighty proud  
Cause everyone will know  
That you're this sugar daddy's girl

You can be my sugar daddy  
And keep me looking fine  
Give me your sweet kisses  
And love me all the time  
But you don't need to spend your money  
Or take me 'round the world  
As long as you love me  
I'll be your sugar daddy's girl

Sugar daddy I think you know  
Sugar daddy I love you so

I wanna give you everything  
Yeah well how about those pearls?  
I wanna be your sugar daddy  
I'll be sugar daddy's girl

I'm gonna take you dancing  
Hold you in my arms  
Pink champagne and caviar  
And show off all your charms  
Well I won't say 'no' to diamonds  
And I don't mind wearing fur  
As long as you love me  
I'll be your sugar daddy's girl

Sugar daddy I think you know  
Sugar daddy I love you so

I wanna give you everything

### **HONKY TONK FOOL**

© Audrey Auld 1998 (APRA)/Bill Chambers (Gibbon Music)

Saturday night and I'm falling apart  
While you're falling off a barstool  
It's your turn to cry  
Cause I'm saying goodbye  
To a heartbreaking' honky tonk fool

Lovin' leavin' and lyin'  
Heartaches hard times and cryin'  
Nothing to lose but these low-down blues  
And a heartbreaking honky tonk fool

Downtown tonight where the music plays loud  
Losing myself in the crowd  
I feel so alone  
But there's nothing at home  
For a heartbroken honky tonk fool

Lovin' leavin' and lyin'  
Dim lights, drinkin' and dyin'  
Nothing to lose but these honky tonk blues  
For a heartbroken honky tonk fool

Lovin' leavin' and lyin'  
Heartaches hard times and cryin'  
Nothing to lose but these low-down blues  
And a heartbreaking honky tonk fool  
You heartbreaking honky tonk fool

### **ROAD OF REGRET**

© Audrey Auld 1998 (APRA)/Bill Chambers (Gibbon Music)

I lay with temptation  
Woke up with shame  
Crossed over the cheating line  
Sorrow's my name  
Lost the one who loves me  
Lost all respect  
I'm bound forever  
On the road of regret

Path of destruction  
Road of regret  
I gambled good love  
And I lost the bet  
The party's all over

## LOOKING BACK TO SEE - LYRICS

Now I must tread  
Path of destruction  
Road of regret

Travelling the sorry way  
With broken heart and home  
My world has gone  
Now I'm in the dark alone  
So fragile the web of love  
I broke every thread  
A night spent in paradise  
Now I pay the debt

Path of destruction  
Road of regret  
I gambled good love  
And I lost the bet  
The party's all over  
Now I must tread  
Path of destruction  
Road of regret

The party's all over  
Now I must tread  
Path of destruction  
Road of regret

### **YOU OPENED MY EYES**

Bill Chambers (Gibbon Music)

Shadows on the wall  
Those sad brown eyes  
You sure are a picture  
I know there's more  
I knew the first moment  
I saw you smile  
You showed me the way  
You opened my eyes

The silence just hung there  
Like a mist in the night  
One look at your face  
I knew I was gone  
Me in my weakness  
Put reason aside  
You reached out to me  
You opened my eyes

You opened my eyes  
To a different world  
That's hard to imagine  
For an innocent girl  
You flew like an angel  
Right across my sky  
Gain without measure  
You opened my eyes

## LOOKING BACK TO SEE - LYRICS

Just a flickering candle  
It was one sweet kiss  
My heart and soul  
Lay there in your hands  
Life's lonely highway  
Holds nothing to fear  
Now that I know  
It was leading me here

You opened my eyes  
To a different world  
That's hard to imagine  
For an innocent girl  
You flew like an angel  
Right across my sky  
Gain without measure  
You opened my eyes  
Gain without measure  
You opened my eyes

### **WHAT'S IN OUR HEARTS**

© Audrey Auld 1998 (APRA)/Bill Chambers (Gibbon Music)

You're the kind of girl I always dreamed of  
I've waited all my life just for you  
The world could never see  
What was right for you and me  
But we believed what's in our hearts is true

It takes a thousand tears to make a rainbow  
I gave up everything to have it all  
Somehow we always knew  
That our love would see us through  
Cause we believed what's in our hearts

Once I couldn't see  
That you would be with me  
But love will find a way  
And here we are today

The darkest clouds won't always hide the sunshine  
Nothing on earth will keep us apart  
The hardest road I knew  
Would lead me here to you  
Cause we believed what's in our hearts

Somehow we always knew  
That our love would see us through  
Cause we believed what's in our hearts

### **MEET ME UP THERE**

© Audrey Auld 1998 (APRA)

Cold is my heart as the night wind blows

## LOOKING BACK TO SEE - LYRICS

Black as the midnight sky  
Long till the morn when they find me here  
My spirit has gone to fly

Mother don't weep  
Father don't cry  
Sister don't wail and moan  
Lay me to sleep  
When you all die  
Meet me up there at home

Heaven please take this mournful soul  
And toll your bell for me  
Lay me down in the cold cold ground  
My poor heart shall be set free

Mother don't weep  
Father don't cry  
Sister don't wail and moan  
Lay me to sleep  
When you all die  
Meet me up there at home

Gentle breeze take my very last breath  
And give the clouds my prayer  
I have no need for weary bones  
For I am bound up there

Mother don't weep  
Father don't cry  
Sister don't wail and moan  
Lay me to sleep  
When you all die  
Meet me up there at home  
Meet me up there at home
